

# My dear brother

What is happening to me, my brother?

What is happening to my body?

I'm so sorry, I can't save you

I've been selfish and irresponsible too.

What is happening to me, my brother?

What is happening to my body?

I didn't imagine it was true, I can't save you!

I've been selfish and irresponsible too.

What is happening to me, my brother?

What is happening to my body?

It all happened because I loved the wrong lady, I can't save you

I've been selfish and irresponsible too.

What is happening to me, my brother?

What is happening to my body?

The dark sorcerer had warned me, I can't save you

I've been selfish and irresponsible too.

What is happening to me, my brother?

What is happening to my body?

He found me while I was kissing his lady in his castle, I can't save you

I've been selfish and irresponsible too

I can't understand what is happening to me, my dear brother

I'm scared: I'm losing the control of my body

You are dying, my desire is killing you

All the people I love will die, those who love me too.

Am I dying because of a spell, my dear brother?

Is your love the murderer of my body?

The dark sorcerer cursed me, but I love you.

I will always remember my brother, a piece of us with you will die too.

Am I dying because of a spell, my dear brother?

Is your love the murder of my body?

The dark sorcerer has taken his revenge, I love you

I will always remember my brother, a piece of me with you will die too.
